About: Nomination for the Rainbow Rose Board.

Dear all,

In line with your call for nominations for the Rainbow Rose Board, we have informed our members about your request for nominations to form a new Rainbow Rose Board.

Now, we are very happy and proud, that we can nominate Antoine van Lune as our candidate for the position of Secretary-General

We know Antoine already for quite some years, and we trust he will be fully committed to LGBTI issues, Social Democracy, and Europe. We know him in politics as a board member in our "Roze Network" for many years, as well as a member in the city council of Maastricht.

Antoine brings people together, activates important initiatives in the LGBTI community, and embraces and supports movements and activists. We know Antoine as a driven and sensitive organizer, always passionate to bring people together. Also, we know him as an effective representative in our national conventions.

For this reason we can fully recommend Antoine for Secretary-General of Rainbow Rose, and we trust he will empower Rainbow Rose to the role it needs towards Brussels and our affiliated member parties.
